<p>Me and some guys from school Had a band and we tried real hard Jimmy quit, Jody got married Shoulda known, we'd never get far</p>	<p>As I was going' over the Cork and Kerry mountains, I saw Captain Farrell and his money he was counting I first produced my pistol, and I then produced my rapier, I said stand or deliver or the devil he may take ya.</p>	<p>Well your faith was strong but you needed proof You saw her bathing on the roof Her beauty and the moonlight overthrew ya And she tied you to her kitchen chair</p>	<p>It must have been cold there in my shadow, To never have sunlight on your face. You were content to let me shine, that's your way. You always walked a step behind.</p>

<p>Father Mckenzie writing the words of a sermon that no one will hear, No one comes near. Look at him working, darning his socks in the night when there's nobody there,</p>	<p>When the wicked Carried us away in captivity Required from us a song Now how shall we sing the lord's song in a strange land</p>	<p>I was alright for a while, I could smile for a while, Then I saw you last night, You held my hand so tight, When you stopped to say hello, Then you wished me well. You couldn't tell that I'd been,</p>	<p>All right stop collaborate and listen Ice is back with my brand new invention Something grabs a hold of me tightly Flow like a harpoon daily and nightly Will it ever stop yo I don't know</p>

<p>Tears have been my only consolation But tears can't mend a broken heart I must confess Let's forgive and forget Turn our tears of regret Once more to tears of happiness</p>	<p>She swam by me she got a cramp He ran by me got my suit damp I saved her life she nearly drown He showed off splashing around Summer sun something's begun</p>	<p>You were working as a waitress In a cocktail bar When I met you I picked you out I shook you up And turned you around Turned you into someone new</p>	<p>if this world is wearing thin and you're thinking of escape i'll go anywhere with you just wrap me up in chains but if you try to go alone don't think i'll understand</p>

<p>We skipped the light fandango turned cartwheels 'cross the floor I was feeling kinda seasick but the crowd called out for more The room was humming harder as the ceiling flew away</p>	<p>Is it a kind of dream, Floating out on the tide, Following the river of death downstream? Or is it a dream? There's a fog along the horizon, A strange glow in the sky, And nobody seems to know where you go,</p>	<p>Better stop dreaming of the quiet life - cos it's the one we'll never know And quit running for that runaway bus - cos those rosey days are few And - stop apologising for the things you've never done,</p>	<p>You can walk my path, you can wear my shoes Learn to talk like me and be an angel too But maybe you ain't never gonna feel this way You ain't never gonna know me, but i know you</p>

<p>Tried to hitch a ride to San Francisco, Gotta do the things I wanna do. And the lights all went out in Massachusetts They brought me back to see my way with you.</p>	<p>I can take you High as a kite Every single night I can make you Jump out of bed Standing on my head</p>	<p>'ve been alone with you Inside my mind And in my dreams I've kissed your lips A thousand times I sometimes see you Pass outside my door</p>	<p>Don't think I can't feel there's something wrong You've been the sweetest part of my life so long I look in your eyes, there's a distant light And you and I know there'll be a storm tonight</p>
